Re: Enrolled Committee Substitute for House Bill 2110

Dear Secretary of State Tennant:

Pursuant to the provisions of section fourteen, article VII of the Constitution of West Virginia, I hereby disapprove Enrolled Committee Substitute for House Bill 2110. This bill relates to providing special property tax treatment and tax credits to small arms and ammunition manufacturers. In doing so, it decreases the investment threshold for receiving special property tax treatment from \$50 million to \$1 million, and increases the percentage of tax credit available from 5% to 50% of the qualified manufacturing investment. Lowering the investment threshold and increasing the tax credit to such levels is fiscally imprudent to provide to a single industry. Our state has several small manufacturers that have made greater investments and have not received such favorable treatment. For this reason, I disapprove this bill.

Sincerely,

Earl Ray Tomblin
Governor
